

You are welcome to join us Wednesday, September 6th, 2017 for the DGA Fall Fling Pasture Walk @ Villard, Mn.

Topics will be grazing and planting cover crops on this organic dairy farm. We will also discuss cover crop benefits, and research information. Dung beetles, and other beneficial aspects of a healthy pasture will be talked about.

Brad Heins, Kent Solberg, Jeff Duchene and our host farmers have relevant ideas to utilize.

Additionally, recognition will be given to two graduating Dairy Grazing Apprentices.

10:30 a.m. - 3:00 p.m.
